

NATURAL STONE WASHBASINS

Smoky
Onyx

FROM RAW STONE
TO FUNCTIONAL ART.

2025-2026

Pink Onyx

2025-2026

Simple and Minimalist Edition

Each piece is precisely shaped using CNC technology and finished by skilled craftsmen. Timeless design. Natural beauty. Global quality.

WHY CHOOSE NATURAL STONE?

- 100% natural & unique texture
- Long-lasting and durable

- Luxurious appearance
- Resistant to moisture and daily use

No two pieces are ever the same.

Precision Meets Craftsmanship

Our washbasins are produced using advanced CNC machines to achieve perfect symmetry, smooth curves, and precise dimensions.

\$950

Final hand-finishing brings warmth and character to every piece.

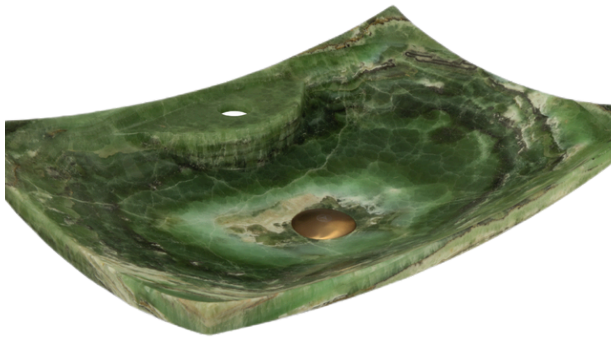

Premium Stone Selection

We use carefully selected natural stones such as:

- Marble
- Onyx
- Travertine
- Granite

Each block is chosen for its strength, color depth, and natural pattern.
